BSCS (4 Years)

Virtual University of Pakistan

(2024)

[CGPA: 2.73/4.00]

Intermediate (ICS)

BISE Gujranwala

(2019)

[Marks: 672/1100]

PROFESSIONAL EXPERIENCE

Graphic Designer (Freelance)

Client Project — Remote | 2025

- 70+ branded post designs for Instagram — feed and story formats — plus hands-on account management and scheduling.
- 5+ label designs for product packaging, print-ready at 300 DPI with brand-consistent typography and layout.
- Multi-page ebook layout — delivered as print-ready PDF and web-optimized PNG, refined over 10+ revision rounds.

Graphic Designer (Freelance)

Client Project — Remote | 2024

- 6+ branded post designs for Instagram/Facebook — feed-ready at 1080×1080px.
- Facebook/Instagram ad banner — with headline, supporting text, and CTA block.
- Print-ready pamphlet at 300 DPI — 3 single pages, layout, hierarchy, and brand-consistent typography.

SELECTED PROJECTS

Static Blog with 11ty (Self-initiated, 2026)

- Built a content-focused blog using 11ty static site generator with tag filtering and keyboard accessibility
- Implemented Nunjucks templating for reusable layouts and auto-generated tag archive pages

Django E-commerce Application (Academic Project, 2024)

- Developed full-stack e-commerce app with product catalog, cart, user auth, and order management
- Used Django MVT architecture, SQLite database, and Django Admin for content management
